Reasons for Allowance

The following is an examiner's statement of reasons for allowance:

Applicant's arguments, see applicants' remarks, pages 8-13, filed 24 April 2007, with respect to claims 1, 2 and 7-12 show support for the claims previously rejected under 35 USC § 112(1) and they persuasively distinguish the claimed invention over the previously applied art.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
